

OFFICE MEMORANDUM • STANFORD UNIVERSITY

DATE: April 14, 1960

To : Professor J. Lederberg
Stanford Medical Center

FROM : L. I. Schiff
Physics

SUBJECT:

We should be happy to have Tamm visit the Department, and could provide some of his support both for travel and a stipend. From what I know of him, he would also make an excellent Tuesday Evening speaker. If you want me to do anything further by way of writing to him, etc., please let me know. I do ~~not~~ know him personally.
